selamat pagi semua, sedikit berbagi untuk “mindset” yang selama ini saya gunakan , semoga membantu

“the trader mindset”

1. not caring about the money
2. acceptance of the risk in trading and investing
3. winning and losing trades accepted equally from an emotional standpoint
4. enjoyment of the process
5. no feeling of being victimized by the market
6. always looking to improve skills
7. trading and investing account profits now accumulating and flowing in as skills improve
8. open minded; keeping opinions to a minimum
9. no anger
10. learning from every trade or position
11. using one chosen approach or system and not being influenced by the market or other traders
12. no need to conquer or control the market
13. feeling confident and feeling in control
14. a sense of not forcing the markets
15. trading with money you can afford to risk
16. taking full responsibility for all trading results
17. sense of calmness when trading
18. ability to focus on the present reality
19. not caring which way the market breaks or moves
20. aligning trades in the direction of the market, flowing with the market
